I need to know the reasons why
Can you foresake what you've been given?
You took more time to justify
All the lies that you were living
I need to know

If I give emotion
Will you show devotion
or wil you fly and fly away

If I give emotion
Will you show devotion
Or wil you fly and fly away

You seem to run you seem to hide
So are you scared of how you're feeling?
The time has come to live you're life
So come with me and do some dreaming

If I give emotion
Will you show devotion
Or wil you fly and fly away

If I give emotion
Will you show devotion
Or wil you fly and fly and fly and fly

Fly away
Fly away

If I give emotion
Will you show devotion
Or wil you fly and fly away

If I give emotion
Will you show devotion
Or wil you fly and fly away

Fly away
