No need to be here
no card to clock in
and i can swear somebody's watchin'
where i go and where ive been.
Brother i can see mooses
and all the things he did for you
Oh brother ive been hearing voices
that im probably not supposed to.
How will i walk steady
if the ground should come alive
And tell me how will i be ready
for the world another time

Woah alien!
You'll be just fine,
Youve always been beautiful
to me...
Woah alien!
Pay us no mind,
We havent the light to hold
to see...

Am i another slave now
To the screamin in my head
Or is it a little strange now,
how the moment's gone and fled
Oh brother I gotta tell ya,
that something here is wrong,
Oh brother i gotta tell ya
This place ain't a-what i thought

Woah alien!
You'll be just fine,
Youve always been beautiful
to me...
Woah alien!
Pay us no mind,
We havent the light to hold
to see...

I know i ain't gonna build forever
(no i ain't gonna build forever)

And i know you feel the same
(and i know you feel the same)
You'll see it when your older
(you'll see it when your older)
No love is not a ga-ame anymore
so thank god we're together.

Woah alien.
You'll be just fine...fine...
yea-ah!

Woah alien!
You'll be just fine,
Youve always been beautiful
to me...
Woah alien!
Pay us no mind,
We havent the light to hold
to see...

Woah alien! Wo-ah! Yea-ah!
