Today I find myself  
In a world where no one sees  
And today I find myself  
In a world where no one hears  
Oh this freedom that you know  
Is never good enough

And I know this ain't a game  
So let me out  
Oh to rid yourself of pain  
The devil of your dreams is gone  
And the stillness of your heart  
Won't let anybody in

Can we take it slow this time

And I'm ready  
And I'm waiting  
For a second chance  
I'd love for you to say  
You are forgiven  
You are forgiven

And I'm bleeding from my soul  
Understanding suicidal dreams  
And I'm here to find the one  
Why's this taking so long  
And Rebecca says she's fine  
Well maybe I'm not fine

Can we take it slow this time

And I'm ready  
And I'm waiting  
For a second chance  
I'd love for you to say

And I'm ready  
And I'm waiting  
For a second chance  
I'd love for you to say

You are forgiven  
You are forgiven

You are forgiven
