She checks her pulse, gotta know if her heart's still
beating
And the hospital's, not far if anything should happen
here

She's bored in a week, big dreams but nothing material
And I refuse to believe that love is for the weak
I said I'm not vulnerable

Hey lady, don't give up on me
Don't burn your heart out love
Till we're ash over seas
Hey lady, said I don't wanna fight
Like pretty girls need cowboys
I need you here tonight

She screams for more
More than just some blue eyed metaphor
and the trouble is, The trouble is:
She's always searching.
And the hour's late, Don't wanna hear that its all gonna
end soon.
And I'm not crazy I'm in control, and all of my friends
still know

Hey lady, don't give up on me
Don't burn your heart out love
Till we're ash over seas
Hey lady, said I don't wanna fight
Like pretty girls need cowboys
I need you here tonight

I'm on one knee, lover please
How can I put it more simply?
And I wait, for your invitation
And I'm so so so, so over waiting
I'm on one knee, lover please
How can I put it more simply?

Hey lady, don't give up on me
Don't burn your heart out love
Till we're ash over seas
Hey lady, said I don't wanna fight

Like pretty girls need cowboys
I need you here tonight
