Me, myself, myself and I  
Just me, myself and I  
my self se se self self  
I, I, I, I, I,i,i,i

Me, myself, myself and I  
Just me, myself and I  
Me, myself, myself and I  
Just me, myself and I

I woke up late  
Fell out of bed  
Missed the bus to  
High school hell  
Mom's painting my nails  
Reading a magazine  
You see me asleep  
Me steal the key  
Now I'm the star  
Of my neighbor hell  
god, there's no need to yell  
'Cause I changed my name

You know that I  
Love to do it all the time  
I wanna get high  
And that's fine

Me, myself, myself and I  
Just me, myself and I  
Me, myself, myself and I  
Just me, myself and I

Today I got hate  
Made the grade  
I guess I'll graduate, oh well  
Smoking can kill  
Oh how I love these days

You know that I  
Love to do it all the time

I wanta get high  
And that's fine

Me, myself and I

You know that I  
Love to do it all the time  
I wanta get high  
And that's fine

Me, myself, myself and I  
Just me, myself and I

myself se se se se self self  
I, I, I, I, I, I, I, I, I, I

I love to do it all the time  
I wanta get high  
And that's fine

Me, myself, myself and I  
Just me, myself and I

I love to do it all the time  
I wanta get high  
And that's fine  
(fade out)
