When I hold you baby  
And your heart beats close to me  
I wanna stay in your arms forever  
Oh, your love can set you free

When i wake each morning  
And the storm beats down on me  
And I know we belong together  
Oh, your love can set you free

Set you free  
and dance forever

Set you free  
and dance forever

Set you free  
and dance forever

Oh, your love can set you free

When we touch each other  
In a state of ecstasy  
I want this night to last forever  
Oh, love can set you free

And when I wake each morning  
And the storm beats down on me  
I know we belong together  
Oh, your love can set you free

Set you free  
and dance forever

Set you free  
dance forever

Set you free  
and dance forever

Oh, your love can set you free

ah, ah yeh  
ah, ah yeh  
ah, ah yeh  
ah, ah yeh  
ah, ah yeh  
ah, ah yeh
