(Verse)

Out on the court for a game of two on two,
Me and Mike vs. James and his boy, Big Blue.
We headed off to Kevin's house right after school
'Cause he got that new Lifetime basketball hoop.
We game ready, we came ready to play
We came ready to win and bring the trophy home that
day
Big Blue said - you ain't bringing home that W
"How you gon score when I'm standing here in front of
you?"
I grab the ball and I passed it in to Mike
Mike caught the pass, faked left and went right
He broke through the line and he threw it off the glass
I couldn't believe my eyes, he was running so fast
Caught the pass in midair then he threw that boy down
Nobody could believe it, James fell over on the ground
He started cryin, put his hands on his head
And Big Blue looked at me and Mike and he said

(Hook x2)

Why is James cryin? - Cuz he just got dunked on
I ain't even lyin - yo, he just got dunked on
Yep yep, he was standin in the way
So I jumped up in the air and I dunked it on his face

(Verse)

James was mad, I could see it in his eyes
James never gets dunked on and James don't ever cry
He stood up, beat his fist on his chest
Looked at me and Mike and ran his thumb across his
neck
He grabbed the ball, squared up to the hoop
Took a hard right step and then he slipped in dog poop
Me and Mike started laughing and he deserved it too
For the rest of the day we called him Captain Poopy
Shoe
Then the ball bounced right over to me
Big Blue was so big I could barely even see
I took the ball and I threw it in the air
Although I couldn't see a thing I had a feelin' Mike was

there
He grabbed the ball and did an alley-hoop
Right on top of James, he made him look like a punk
Then James' girlfriend walked by
She stopped right there and looked me square in the
eye
She said

(Hook x2)

Why is James cryin? - Cuz he just got dunked on
I ain't even lyin - yo, he just got dunked on
Yep yep, he was standin in the way
So I jumped up in the air and I dunked it on his face

(Verse)

For the rest of the game, the lead went back and forth
It was all tied up when I checked the score board
There was only 10 seconds left on the clock
James went in for a layup but his shot got blocked
Why? And then jumped out Big Blue
With the spin move, I was headin straight for the hoop
I looked at Mike, put my hand up in the air
James was standin in the way but you know I didn't care
Mike threw a perfect pass and I jumped so high
I was way up in the sky, dog it felt like I could fly
I grabbed the ball and I threw it down hard
Right on top of James, I felt like a superstar
That's how me and Mike won the basketball game
We beat Big Blue and Big Bad James
'Cause me and Mike are the number one team
And we heard James cry and we heard his mom
scream
She saidâ€¦!

(Hook x2)

Why is James cryin? - Cuz he just got dunked on
I ain't even lyin - yo, he just got dunked on
Yep yep, he was standin in the way
So I jumped up in the air and I dunked it on his face

(Outro)

Yea, you come up in here - you're gonna get dunked on
Python and Kim,
Penny and Shaq,
Pippen and Jordan
Boy, me and Mike are bad
