Curses

Realms of malevolence,
Grisly imagination, euphoria through rape and murder
To roam thy night, ridding the pure

My utter repugnance for their kind has consumed all
mercy

Reckoning so unearthly
I sanctify with heinous barbarity
I shall decree my grim regality

A blackened call of lost souls
To suppress the omen, that tortures my thoughts

Celestial I am, my damnation never

A kingdom of madness I have seen
Dreams of their cessation I have learned

Bloodstained... inebriated to the bone
Masking the grief
Of the insanity revealed
Through the dismantling of good

One by one I condemn to the netherworld
Sea of peerless torment, their final destiny
With morose judgment
I rule eternally amongst the bonds of wickedness

Fuck them, I sacrifice their bodies with sheer
gruesomeness
And erase all memory with insobriety
I sanctify with heinous barbarity
Intemperance aids my sapience

Bloodstained
Inebriated to the bone
Masking the grief
Of the insanity revealed
Through the dismantling of good

One by one I condemn to the netherworld

Sea of peerless torment, their final destiny
With morose judgment
I rule eternally amongst the bonds of wickedness

I impose my lurid will on the indigent... the hopeless
Sadistic debauchery
I carouse to the abominable

Sweet bliss through devil mimicked fury
The only salvation I know
My wretched oath
A ghastly sacramentum
