Well he shines like a penny in a little kid's hand  
When he's out on a Saturday night  
He's a real go-getter and the best two-stepper you'll  
see  
But when I'm sittin' alone at a table for two  
'Cause he's already out on the floor  
I think about somethin' that my mama used to say to  
me  
You got to dance with the one that brought you  
Stay with the one that want's you  
The one who's gonna love you when all of the others go  
home  
Don't let the green grass fool you  
Don't let the moon get to you  
Dance with the one that brought you and you can't go  
wrong

He's got his old best buddies and his new best friends  
And all the girls give him the eye  
He's a good time Charlie and the life of the party  
tonight  
But when I think about another well I don't think twice  
'Cause there'll never be another like him  
I know he really loves me and I think maybe mama was  
right

You got to dance with the one that brought you  
Stay with the one that want's you  
The one who's gonna love you when all of the others go  
home  
Don't let the green grass fool you  
Don't let the moon get to you  
Dance with the one that brought you and you can't go  
wrong

You've got to dance with the one that brought you  
and you can't go wrong
