Bye, bye butterfly
I get a little outta control
You mind your mama-
Else she gonna swallow you whole

Infect me, protect me-
She gonna resurrect me, I know
'cause baby, I'm livin from dime to dime

If down iz up-
I think i'll be doin alright, tonight

And I roll and it feels good- around
I got sold- for nuthin as it seems
Infect me, protect me-
She gonna resurrect me, I know

Bye, bye, butterfly
I get a little outta control
'cause when the moon done
Get snuffed out
On your knees, you gonna see the sun
Cut down

Neglect me, select me
She gonna disconnect me, I know

And I roll....
