I have loved you  
Since I met you  
And my love  
Is growing more

And all days  
I'm always  
Only thinking, thinking of you

Did you know that I'll love you?  
Till the end of time  
Till the end of my life

Pretty Girl  
Pretty Girl  
You're the one I love  
You'll always be  
Important to me

If you need me  
Just call me  
I'll be here, here for you

I love you dearly  
I'd do anything for you

Did you know that I'll love you?  
Till the end of time  
Till the end of my life

Pretty Girl  
Pretty Girl  
You're the one I love  
You'll always be  
Important to me

Pretty Girl  
Pretty Girl  
You're the one I love  
You'll always be  
Important to me
