Hey you
Passing by
I think i recognize you from that lullaby
I would never write about snow white
Cause now i have you

YouÃfÃçÃ, -Ã™ re my inspiration
Inspiration for my songs and my melodies
YouÃfÃçÃ, -Ã™ re my inspiration
Inspiration for my friends and me

The little mermaid and cinderella
Are never good enough for me
I need the beauty and forget the beast
Cause now i have you

YouÃfÃçÃ, -Ã™ re my inspiration
Inspiration for my songs and my melodies
YouÃfÃçÃ, -Ã™ re my inspiration
Inspiration for my friends and me

Another morning
Another time
I need you by my side
where did you go
I need the beauty
I want you here with me

Cause
YouÃfÃçÃ, -Ã™ re my inspiration
Inspiration for my songs and my melodies
YouÃfÃçÃ, -Ã™ re my inspiration
Inspiration for my friends and me

OhhÃfÃçÃ, -Ã,Ã!
