All hail the god in the TV
White noise medicating
Rape and murder, holy war, nothing phases me
And now I have the only scapegoat that I need
(A modern day alibi for a life of abuse and neglect)

HAIL
ALL HAIL

Pray to the god in the TV
Eyes wide, fixed and dilated, bleed
A myriad of rich white trash, nothing phases me
It promises just what I'm longing to be

HAIL, All hail your brand new religion
HAIL, An old American sin (all hail)
HAIL, This is the murderer of evolution
HAIL, This is no way for us to live

...Now hail the god within
HAIL

ALL HAIL

Relive a warped reality
Push the syringe in and let the hours wane
Ashen eyes, catatonic, praying on our knees
To hail the god for a legion of zombies

HAIL, All hail your brand new religion
HAIL, An old American sin (all hail)
HAIL, This is our cancer
feeding thought pollution
HAIL, This is no way for us to live

HAIL, All hail your brand new religion
HAIL, An old American sin (all hail)
HAIL, This is the murderer of evolution
HAIL, This is no way to fucking live

...Now hail the god within
HAIL

ALL HAIL
