Addiction kills the mind  
And leaves you dependent  
The chemicals of ill intention  
Mixed to break  
Break your vision

Don't lose sight  
Don't lose sight

Addiction kills the mind  
And leaves you dependent  
The chemicals of ill intention  
Mixed to break  
Break your vision

Don't lose sight  
Don't lose sight  
Don't lose sight  
Don't lose sight

Until the day you die straight edge  
Until the day you die straight edge  
Go

With confidence to fight addiction  
Take a second step  
Stand among as we stand as one  
Live straight edge  
With confidence to fight addiction  
Take a second step  
Stand among as we stand as one  
Live straight edge

Don't lose sight  
Don't lose sight  
Don't lose sight  
Don't lose sight

Addiction kills the mind  
And leaves you dependent  
The chemicals of ill intention

Mixed to break  
Break your vision

Until the day you die straight edge  
Until the day you die straight edge  
Until the day you die straight edge  
Until the day you die straight edge
