Trying to tell me
Trying to tell me down

Face the mirror
And face yourself
I never wanted to be a preacher
I never judge but to myself
Face the mirror
Face yourself
I can't help your insecurity
You've got conflicts to kill
To kill
Conflicts to kill

I know who I am
I believe in what I say
I know who I am
I believe in what I say

And there's nothing but hate for those who mock what I
say
And still hide your fucking face
Hate for those who mock me
Go
Hate for those who mock me
Face yourself
Face yourself
Face yourself
Face yourself
Face yourself
Face yourself
