"Family"

Visit "[Family](#)" on MotoLyrics.com

This is a family
I count on you
You count on me
This is a family
I count on you
You count on me

Help each other put your arms around your brother
Help your sister trying hard as any other
Go

Go, go the distance
True, go the distance
Go

This brotherhood can't live without you
It takes a strong heart to go the distance true
True, true, true
True, go the distance true
This hardcore scene can't live without you
It takes a strong heart to go the distance true
Go the distance true
Go the distance true

This is a family
I count on you
You count on me
This is a family
I count on you
You count on me
This is a family
I count on you
You count on me
