I know a thing or two about you,
Youre bullshit attitude.
Youre fucking weak and lemme tell you it shows right
through.
You dont know shit about me or my friends,
What they are what i am.
So cut the shit and try not to pretend.
Youre scared of who and what we are and so you
question yourself,
But your pride wont let you show your fear to anyone
else.
You dont know me,
So dont judge me.
You dont know you,
Your too scared to.
You think you know,
Why im here after all these years.
You wanna know?
Well ill tell you fucking why, GO.

For myself.
For my friends.
For my family.
FOREVER
Ill take this to the bitter end

For myself.
For my friends.
For my family.
FOREVER
Ill take this to the bitter end

You dont know a single thing about me,
Just what my enemies say.
Well, fuck them and fuck you,
That shit wont cut it today.
Be a fucking man and stand up to find the truth in
yourself,
For yourself,
By yourself and not from anyone else.
You think you know,
Why im here after all these years.

You wanna know?
Well ill tell you fucking why, GO!

For myself.
For my friends.
For my family.
FOREVER
I'll take this to the bitter end.
For myself
For my friends
For my family.
FOREVER
I'll take this to the bitter end.
(Where the fuck are you?)
I'm still here and still proud
and I still know what it takes to be true.

Yeah, to be true.
For myself
For my friends
For my family.

STRAIGHT FUCKING EDGE.
