Let go  
Go

Father, you don't know me  
You don't want to, but I need some closure  
I'll never become what you want me to be  
I'm pushing further and further from you into me  
In to me  
Into me  
Into me  
Into me

Into me and further away from you  
Into me and still your strange but true

Father, you don't know me  
You don't want to, but I need some closure  
I'll never become what you want me to be  
I'm pushing further and further from you into me  
Into me  
Into me  
Into me  
Into me

Into me and further away from you  
Into me and still your dreams come true

Live  
Let your heart  
Live  
Let your heart  
Live on  
Just be yourself  
Live  
Let your heart  
Live  
Let your heart live on  
Just be yourself  
Just be yourself  
One, two, three, go

Into me and further away from you  
Into me and still your dreams come true  
Hey, hey, hey  
Let your heart live  
Hey, hey, hey  
Hey, hey, hey  
Let your heart live  
Let your heart live  
Let your heart live  
Let your heart live
