"Laid To Rest"

With your hands in your pockets
You stand in the back
You give no opinion
And watch their attack
Now who is to say?
Now who is the right?
You've lost in the end
You lost the fight

We will stand above the rest
We will stand among the best
Do what it takes
To move ahead
And leave behind
What's laid to rest?

Laid to rest
Laid to rest
Laid to rest
Laid to rest
Laid to rest

Above the rest
Among the best
Above the rest
Among the best
Above the rest
Among the best
Above the rest
Among the best
Above the rest
Among the best

With your hands in your pockets
You stand in the back
You give no opinion
And watch their attack
Now who is to say?
Now who is the right?
You've lost in the end
You lost the fight

Above the rest
Among the best
Above the rest
Among the best
Above the rest
Among the best
Above the rest
Among the best
