Eyes decide this wrongful right
A broken chance
To save your worthless life
Eyes decide this wrongful right
A broken chance
To save your worthless life

Your wrongful rights
Don't change a fucking thing
Brainwashed to kill
And kill again
Your wrongful rights
Don't change a fucking thing
Brainwashed to kill
And kill again
Go

Your worthless life don't mean shit
Your worthless life don't mean shit
Your worthless life don't mean shit
Who's the enemy?
Who's the enemy?
Who's the enemy?
Who's the enemy now?
Now
Now
Now

Eyes decide this wrongful right
A broken chance
To save your worthless life
Eyes decide this wrongful right
A broken chance
To save your worthless life

Who's the enemy?
Who's the enemy?
Who's the enemy now?
Who's the enemy now?
Who's the enemy now?
Who's the enemy now?
