## "We Will Rise"

We'll rise above  
Can we rise? We will rise  
Yeah, we will rise  
Above the lies and move on  
Can we rise? We will rise  
Yeah, we will

We are the hated  
We are the raging plague  
We are the ill-fated  
We grow stronger each day  
And we rise

We've built a new world  
Underneath the one we hate  
Outside there is no love  
But down here we're one  
And we'll rise above

Can we rise? We will rise  
Yeah, we will rise  
Above the lies and move on  
Can we rise? We will rise  
Yeah, we will

We are the hated  
We are the raging plague  
We are the ill-fated  
We struggle each day  
And we rise

This is new blood  
This is a family  
The voice of the unloved  
We will rise as one  
And we'll rise above

Can we rise? We will rise  
Yeah, we will rise  
Above the lies and move on

Can we rise? We will rise

Yeah, we will rise  
Above the lies and move on

We're gonna rise  
Above the lies and move on  
Come on

Yeah

Can we rise? We will rise  
Yeah, we will rise  
Above the lies and move on

Can we rise? We will rise  
Yeah, we will rise  
Above the lies and move on
