When he pushes away  
Like he's gonna have to make me  
He gladdens  
(x2)

Oh, please  
Please  
When he pushes away  
Like he's gonna have to make me  
He he he he he he

It's so good to have a man  
It's so good to have him check him out  
Saliva peeks from his trail  
I gained a lot of advice from him  
(x2)

Oh, please  
Please  
It's so good to have a man  
It's so good to have him check him out  
At night  
Oh, please  
Please  
It's so good to have a man  
It's so good to have him check him out

When he pushes her back  
Like he's gonna have to make me  
Saliva peeks from his trail  
I gained a lot of advice from him  
It's so good to have a man  
It's so good to have him check him out  
Saliva peeks from his trail  
I gained a lot of advice from him  
(x2)

Oh, please  
Please  
When he pushes her back  
Like he's gonna have to make me

Please  
Please  
It's so good to have a man  
It's so good to have him check him out  
My love
