Are you the right man for me?
Are you safe? Are you my friend?
Are you the right man for me?
Are you safe? Are you my friend?

Fulfillment
Creativity

background:
It may be diverting
For some part of him

Are you the right man for me?
Are you safe? Are you my friend?
Or are you toxic for me?
Will you betray my confidence?
(x2)

Naming things is empowering
I balance, walk, and coordinate myself, alive
Aliveness energy

Healthy dependence
And healthy independence
And healthy assurances
This love's a nameless dream
And healthy boundaries
And how long would you miss me

background:
Are you the right man for me?
Are you safe? Are you my friend?
Or are you toxic for me?
Will you mistreat me

Or betray all my confidence?
(x3)
