Garlands evergreen
Forget-me-not wreaths
Chaplets see me drugged
I could die in a rosary
Die in a rosary (x4)
Well, with these brave garlands
They never find out for her
They never find I'm lying
Well, with these etchings
Cravings convince
My cravings commence
Garlands evergreen
Forget-me-not wreaths
Chaplets see me drugged
I could die in a rosary
Die in a rosary (x4)
Well, with these scarve's scars
Cravings convince
My cravings commence
Well, with these splint's scars
I'm all that to you
I'm all that's who
Garlands evergreen
Forget-me-not wreaths
Chaplets see me drugged
I could die in a rosary
Die in a rosary (x4)
Well, with these scarve's scars
Cravings convince
My cravings commence
Well, with these splint's scars
I'm all that to you
I'm all that's who
