Sitting on the doorstep of the house I can't afford  
I can feel you there  
Thinking of a reason, well, it's really not very hard  
to love you even though you nearly lost my heart  
How can I explain the meaning of our love  
It fits so tight, closer than a glove

[ Chorus ]

Sitting on a pebble by the river playing guitar  
Wonderin' if we're really ever gonna get that far  
Do you know there's something wrong  
'Cause I've felt it all along

I can see you face in the mirrors of my mind  
Will you still be there  
We're really not so clever as we seem to think we are  
We've always got our troubles  
So we'll solve them at the bar  
The days go by, we seem to drift apart  
If I could only find a way to keep hold of your heart

[ Repeat chorus ]

Sitting in the valley as I watch the sun go down  
I can see you there  
Thinking of a reason, well, it's really not very hard  
to love you though you nearly lost my heart  
When will we know when the change is gonna come  
I've got a good feeling and it's coming from the sun

Sitting on a pebble by the river playing guitar  
Wonderin' if we're really ever gonna get that far  
Do you know there's something wrong  
We'll stick together 'cause we're strong
