Follow the road
Swallow the snake
Find shoes in the corner
Run away

Oh
He had a nightmare
Go
I'm losing my person
I'm only talking
But look at me
I'm in bed, I'm asleep
I'm a mess, at my hair
Oh, oh, oh

Follow the road
Swallow the snake
Find shoes in the corner
Run away

No more backs
She can't say
America can't say no
Stand up
She can't stand up
Bang
She's afraid
I can't say
I can't say
N-N-N-No

Oh
It was a funeral
Mine
He was doing it
Under the stars
And I was crying again
Run through with a sword
Simultaneously
At the same time

No more backs

She can't say
America can't say no
Stand up
She can't stand up
Bang
She's afraid
I can't say
I can't say
N-N-N-No
No more backs
She can't say
America can't say no
Stand up
She can't stand up
Bang
She's afraid
I can't say
I can't say
N-N-N-No

No more backs
Say no
Stand up
Stand up
I'm afraid, I'm a mess
So
Put these right
What's it look like?
I can't stand
I won't tell you she's dead

Follow the road
Swallow the snake
Find shoes in the corner
Run away
N-N-N-No
