With a loud noise
Everything breaks
Everything falls
Rips open, leaves a hole

Follow the black moon in
Follow the flashing gates
Alone at last

Bury it inside, bury it
Bury it inside, bury it
Come home

His wife died, saw her face
Revealed, refused
Coming home
Kept it outside
Laughed it goodbye

He wants tears, he cries
Turning it out blind
Leaving home

Goodbye
He says there
I cannot say goodbye
Finished

Hope this dog don't
Spin me around again
Your face in paragraphs
Caught in a game of hope
A year, found another year

A year, found another year
When we sit at a table
There's fire between the guests
When your hands don't touch
There's sand in your place

And fire under your nail
Nobody knew, so nobody cared

Nobody knows
