My best friend knows this old guy who  
Who keeps a picture in his shoe  
He takes it out after a spell  
Says, "See"

Shouldn't stare that way so long, baby  
Stare holes into the walls

My dress hangs here for you to wear out  
I walked in beauty too till I met you  
Here hangs this chain this thing  
This old girl keeps, we got it easy

So why do you stare that way so long?  
Stare holes into the walls

We're all honey  
Dripping through the honeychain  
And lay our lives down  
Down and pretty in the honeychain

We're all honey  
Dripping through the honeychain  
And lay our lives down  
Down and pretty in the honeychain

Please don't stare that way so hard, baby  
Stare holes
