I'm watching
I'm only watching trash
I want to eat it
Wear it, be it

Don't make me
Don't make me sleep
The ache inside this time, it cuts too deep
Don't make

Catch the blood and cut the water
I'm alive
If you won't get your hands that dirty
What's inside?

Don't take me
Don't take my heat
The ache inside this time, it makes me bleed
Don't take

Catch the blood and cut the water
I'm alive
Fan your flame and can your heat
I'll make it mine

I'm alive

Catch the blood
(I'm alive)
Cut the water
(I'm alive)

Catch the blood
(I'm alive)
Cut the water
(I'm alive)
