Pull your lover 'round by the nose...
You'll never get to see how the garden grows
But if you go forth so...
You can't stop the smell of roses
Eighteen things at once
You spread yourself so thin
You could not find a basket
To put all your eggs in

Mikey row the boat ashore

...

If you walk next to the ...
You got a lose a little of something
Jak of all trades and a master of none
How can a person get anything done?
You can fool yourself, you can fool anyone
Jak jak jak jak jak jak jak jak
Jak of all trades and a master of none
How can a person get anything done?
You can fool yourself, you can fool anyone
Jak jak jak jak jak jak jak jak
Jak of all trades
Jak of all trades
Jak of all trades
