Leave home Blood becomes a foreign substance  
And see it as you let it dry  
I forgive my nature or I'll be my saint  
I can always feel you in heaven  
Living in the past I think if I remember that I'll forget  
this  
I know you well  
Kill the sky The sun'll fry us; burn the rain We'll die  
Stares from the back stairs  
I tie your tie, set tables  
I won't run your party, you can't run my life  
But the waters run deep  
Once there was two Mexican woman  
Ran over the hills ripped off their skin and ate it up  
Leave the town for the children [lay their skin across  
the fire]  
Leave their rings to their daughters  
And fly up  
It's raining again Come home  
It's raining in his hands  
Oh catch it be brave grow  
You make me cry Understand?  
Be safe, no worry So  
Look what you do You freeze my songs And please  
Come on  
Catch me back I can go faster than fast  
Catch me go get back a date Land a seal too fast  
Catch me go get back a date Spin the wheel too fast  
Help me go get back a date Live a day the past
