The cut
That kills the knife
'Til it breaks
Spitting shells
Their eyes were locked
And their hearts were open
In love, we couldn't breathe
In love, they couldn't say the word
(Call)
In love, we couldn't breathe
In love, they couldn't breathe the word
He crawls along the battlefields
The sky spitting shells
That heart is on the ground
Spits in his face
The cut
That kills the knife
Forcing it
'Til it breaks
Forces our heart
Can't replace
Forces a heartbreak
She loves him
She loves him
She needs her soul
Soul soldier
(Soul soldier)
She loves him (he's all she needs)
She loves him (he's all she needs)
She needs her soul
Soul soldier
(Soul soldier)
An apple run to heaven, Dan-U
Dan-U, God damn you
An apple run to heaven, Dan-U
Dan-U, God damn you
She loves him (he's all she needs)
She loves him (he's all she needs)
She needs her soul
Soul soldier
(Soul soldier)
An apple run to heaven, Dan-U

(She loves him)
Dan-U, God damn you
