They say you stand  
By your man  
Tell me something  
I don't understand  
You said you loved me  
And that's a fact  
And then you left me  
Said you felt trapped

Well,somethings you can explain away  
But the heartache's with me till this day

Did you stand by me  
No,not at all  
Did you stand by me  
No way

All the times  
That we were closed  
I remember  
These things the most  
I've seen all our dreams  
Come tumblin' down  
I can't stay happy  
Without you around

So alone I keep the wolves a bay  
And there's only one thing I can say

Did you stand by me  
No,not at all  
Did you stand by me  
No way

You must explain  
Why this must be  
Did you lie  
When you spoke to me

Did you stand by me  
No,not at all

Now I got a job  
But it don't pay  
I need new clothes  
I need somewhere to stay  
But without all these things I can do  
But without your love  
I won't make it through  
Without you love  
I won't make it through  
But you don't understand my point of view  
I suppose there's nothing I can do

Did you stand by me  
No, not at all  
Did you stand by me  
No way

Did you stand by me  
No, not at all  
Did you stand by me  
No way

Stand by me, no way  
Stand by me, not at all  
Stand by me, no way  
Stand by me, not at all  
Stand by me, no way
