You were the sweetest thing that I ever knew  
But I don't care for sugar honey if I can't have you  
Since you've abandoned me  
My whole life has crushed  
Won't you pick the pieces up  
'Cause it feels just like I'm walking on broken glass

Walking on walking on broken glass

The sun's still shining in the big blue sky  
But it don't mean nothing to me  
Oh let the rain come down  
Let the wind blow through me  
I'm living in an empty room  
With all the windows smashed  
And I've got so little left to lose  
That it feels just like I'm walking on broken glass

Walking on walking on broken glass

And I've you're trying to cut me down  
You know that I might bleed  
Cause if you're trying to cut me down  
I know that you'll succeed  
And if you want to hurt me  
There's nothing left to fear  
Cause if you want to hurt me  
You're doing really well my dear

Now everyone of use was made to suffer  
Everyone of us was made to weep  
But we've been hurting one another  
And now the pain has cut too deep...  
So take me from the wreckage  
Save me from the blast  
Lift me up and take me back  
Don't let me keep on walking...  
Walking on broken glass

Walking on walking on broken glass
