[Hook]

Biancas and biatrices I know the wettin mattresses  
And bendin over gimme yo positions  
Biancas and biatrices they love the way I'm rappin this  
I dig 'em then I pluck 'em then I diss 'em

[Tech N9ne]

I'm kickin it wit this chick up in the club I'm off the lou  
And when you're on that Carubou you know just what  
you do  
I called her Bianca she said "what is that Bianca shit"  
I looked and cracked a smile and said Bianca means  
you bitch  
You'z a Bianc baby, whether you like it or not  
But you hot exspecially when ex and vicaden pop  
If you trippin you can hike it and hop  
Cuzz you know what I came to do  
Me and my villains come to strike it and stop  
Pipe it and prop, ya leg up and get up  
Bianca hold ya head up, ya sex wet the bed up  
Everybodies ponderin wonderin about my slang that I  
spit  
You can use it when you refer to a dame or a chick  
Don't be trippin about the choice of words I'm usin on  
this script  
Don't step off in my face cuzz you can bet I come  
equipped  
You wanna know what to say to get the Bianc to let you  
blend  
Hotel, motel, Holiday Inn

[Hook]2x

[Kutt]

You dat new green nigga Kutt Calhoun (who dat)  
You know that big lip pretty nigga wit the gold teeth  
Be rappin wit Tech, heard he just signed a big deal  
An estimated five or six million, I'ma blow his mind  
(Bitch)  
Big lips and all the things involved got ya whole brain  
dissolved

You couldn't queueze in drause if you was my dick and balls  
I tell you man, theses dames are lame, greedy,  
raunchy, and dikes  
And nigga gets bit of fame and Biancas be like  
(So yo grow got loads)  
Biatrises is sayin, (Hell yeah yeah yeah yeah)  
But Kutty be like, (Ho no slow yo rool)  
Bafoon to busy tryin to zoom off into the upper room  
Claimin the glad to dick and asses I fix the seaweed  
And hashish and hits so fast then dressin me  
Just cuzz I'm bad bitch you gettin nasty  
Goin get yo nasty ass bizass ash and slash sassy  
BIATRICE

[Hook]

[Tech N9ne]  
Biatrises means more than one Bianca  
They actresses bring 'em sex toys and ganja  
We activist ain't yes boys we monsters  
And macks at this rring ya best noise we conquer  
The fact is this say you don't wanna when you want to  
Relax to this extascy and willy wonka  
We slaps a bitch, cuzz me and my niggas are bonkers  
We stacks the hits, no kaliko, tyco, or tonkas  
Emaculate get the mothafucka you on a  
A lacative cuzz they boo-boo biten piranhas  
My gats'll spit, till you playa hatas are gonners  
Like Maximus, I'm gladiator for na-na  
My raps assist the beat that disturbin ya mama  
They scrap to this, welcome wicked witness the trauma  
So clap to this, while you puffin yo marijuana  
Get back to this, (what) Biatrises and Biancas

[Hook]
