(Phone rings)

Dan: Who's gonna get that?

Moira: Respect your elders.

Laura: Yeah, respect your elders!

Dan: Well someday, you'll be respecting me!

Moira: Yeah right!

Laura: As if!

(Answering Phone)

Dan: Hello?

Josh: Hey, it's Josh, I hate ya.

Dan: Well I don't ever wanna see ya again!

(Boom, boom, breakin' up, c'mon, everybody)

Breakin' up is tough,

When ya got someone ya love,

And you're fightin' over the

Right boy for you?

Ohhh?

Breakin' up is tough!

Breakin' up is hard,

When ya got a really cute bard,

Who likes ya 'cause you've got

Some cash and a car,

But he wants ya to be artsy?

Laura: Hey I'm artsy!

Yeah right?

Breakin' up is hard!

Breakin' up is really tough

When ya got somebody that you love,

Breakin' up is really hard

When you got a really really really really cute bard,

Ohhh?

Breakin' up is hard!
