You know, there's a way to go in life,  
Some say it's fittin' in no matter what,  
You know, don't need to hold no subtle knife,  
To be yourself, with your corageous guts.

There's a world out there just waitin',  
Waitin', watching, for your every move,  
Some will block you, tempt you with their baitings,  
But you can't stop, can't stop if it's not for you.

Maybe my life can't be exciting now,  
But there's a place, a destiny for me,  
Even if I'm only free in my dreams,  
My dreams are enough, sleepin' whilst I'm free.  
I'm free?

No ship in my front yard,  
No Spanish band outside my window with a bard,  
Don't need a pirate hottie to be totally free,  
All I need is what I got, just me.

Ain't got no d'mon,  
Ain't got no shoulder angel,  
Ain't got no way in,  
To your heart, so just stay still.

Maybe my life can't be exciting now,  
But there's a place, a destiny for me,  
Even if I'm only free in my dreams,  
My dreams are enough, sleepin' whilst I'm free.  
I'm free?

Don't need to be that daughter of kings,  
Don't need to have a palace to call my home,  
Not quite a Lord of the Rings,  
Even if it's the life I wish I'd known.

If freedom for the keeping,  
Is just sleeping,  
What do I do?  
Where do I go?

Maybe my life can't be exciting now,  
But there's a place, a destiny for me,  
Even if I'm only free in my dreams,  
My dreams are enough, sleepin' whilst I'm free.  
I'm free?  
I'm free.
