Oh oh, come sing it with me now,
Oh, yeah-how,
Oh oh, come dance to it now,
Oh, yeah-pow.

What happens when you take
The balance of the fates,
And mix it up on a play-ate?
It tells you everything
In summertime or spring.
So what ya gonna call it
If ya gonna haul it?

That's animalogy.
What?
It's all hodge-podge-y.
Huh?

It'll tell ya what's that smell's ya want to know,
Or where to go
To find your soul
Mate!

What happens when ya read
A creature that you feed,
And make it a science
Or a craze?
It takes the world by storm,
By the next dawn's morn,
And even a heroine can't resist this maze!

That's animalogy.
What?
It's all hodge-podge-y.
Huh?

All I have to say,
Is run away today
Before you end up finding your
Destiny-y!
Cause he won't be all that,

Oppisites don't attract.
Just wait for the next
Animalogy attack!
(Speaking) And keep a mole rat handy!
Our love to Kim and Junior!
