I don't care what you say,
There is no one who can help me today,
Actually, there's one I need,
But he won't help me, out of greed.

CHORUS:

Oh, I was selfish? I know it's true,
But there has to be room for me and you,
Oh, I need you, I say,
You're who I need? today.

I'm in a bad situation here,
(Duh, I know, it's totally clear!)
Will you help me, in a year?
(I don't know? will I, dear?)

CHORUS

BRIDGE:

You know I love you,
Thinkin' 'bout love is all I do!
You know I need you,
So come help me, dude!!

CHORUS

And the world has to know,
That we're together, so
No matter what you do,
I'll always be with you!

You're the one I need?
The one I need?
The one I see?
In my dreams?
Today.

CHORUS (repeat until fade)
