I've got a feeling that you're gonna dance tonight
(Gonna dance all night)
I've got a feeling that you're gonna dance tonight
I've got a feeling, I've got a feeling...

Now the DJ set the mood
We're gonna take it to the top
Get your ass on the floor
We're gonna dance nonstop
Throw your hands in the air
If you're feeling what you got
And all the sexy people dancing
All around the DJ box.

I know you wanna go, you wanna...
I know you wanna...
I know you wanna go, you wanna...

Now the DJ set the mood
We're gonna take it to the top
Get your ass on the floor
We're gonna dance nonstop
Throw your hands in the air
If you're feeling what you got
And all the sexy people dancing
All around the DJ box.

I've got a feeling that you're gonna dance tonight
(Hey, I can feel it in my bones)
I've got a feeling that you're gonna dance tonight
(And now you know it's time to get it off)
I've got a feeling, I've got a feeling...

I've got a feeling that you're gonna dance tonight
(Hey, I can feel it in my bones)
I've got a feeling that you're gonna dance tonight
(And now you know it's time to get it off)

I've got a feeling that you're gonna dance tonight
I've got a feeling that you're gonna dance tonight
(It's gonna be, gonna be alright)
