Why aren't you here? What have I done?
Am I waiting while you are gone?

Answers don't come as I'm thinking
I feel there's something missing
Bereft of you, I am nothing

I'm craving for you, are you craving for me?
I'm craving for you, are you craving for me? For me?

I made mistakes, I'm so sorry
I tried to use them, but they used me

Our truth hides in a darker place,
All your sins, all my excess,
They won't give in 'til we confess
I'm craving for you, are you craving for me?
I'm craving for you, are you craving for me? For me?

For me, for me, for me, for me,
For me, for me, for me, for me,

I'm craving for you, are you craving for me?
I'm craving for you, are you craving for me?
Are you craving? Are you craving?
Are you craving? Are you craving?
Are you craving? Are you craving?
Are you craving...for me, for me, for me?
