Run you ragged  
torn and jagged  
sharp tongued, ripped and ragged  
cut it fine the party line  
gee whiz it's happy time  
mirror mirror reflects me hazy  
the heat's on I'm running round crazy  
here's the rub don't miss a trick  
white trash the punch and kick  
I'll kiss the lips that sealed your fate  
I'll bring you flowers and place them on your grave

Dream in color swamped in dust  
sweet dreams all covered in rust  
looking at heaven kaleidoscope scene  
time to kill this crazy dream  
you are revered for your work with ink and mirrors  
you are renowned for bringing me steel and power

So dance, dance, dance on  
dance, dance, dance, dance on glass  
dance, dance, dance on  
dance, dance, dance  
dance on glass

Shadow Boxing mild and meek  
send me flowers tongue in cheek  
medicine man cast a spell  
head spins round kiss and tell

So dance, dance, dance on  
dance, dance, dance, dance on glass  
dance, dance, dance on  
dance, dance, dance  
dance on glass

Cheeks on fire, dance on glass  
a touch of magic a hint of class  
dress in leather play in the dark  
pain and torture leave their mark  
take no prisoners smash the lights

lunatic fringe kiss and bite  
wild promise cheeks are red  
a battle cry and then it's off to bed  
you've taken my heart and ripped it from my sleeve  
hold it in your hands grip your fingers and it starts to  
bleed

So dance, dance, dance on  
dance, dance, dance, dance on glass  
dance, dance, dance on
