A sheer moon
Bless her silken heart
Waiting for the stars to come out and shine
Head in the clouds
And she kisses the sky
Trick or treat on the tip of her tongue
And shooting the line
Fabienne let me kiss the moon
Fabienne let me kiss
Let me kiss the moon

The hard shine
And heaven be praised
She's pure in thought and
Hand on heart and heaven sent
Reaching for the stars
With a trembling hand
Childish eyes
Betray the love of the innocent
Fabienne let me kiss the moon
Fabienne let me kiss
Let me kiss the moon
Let me kiss the moon

Fabienne let me kiss the moon
Fabienne let me kiss the moon
Fabienne let me kiss the moon
Fabienne let me kiss
Let me kiss the moon
