Better listen to me baby
Its time to speak the truth
You better believe it baby
Cos I know I got the proof

Cos I, I didn't catch your name
And I know it sounds insane
But I got reason to believe I was meant for you

Huh

Cos I love you more than rock n roll
Trust me baby
I think I love you more than rock n roll
Mmm

Its the way that you move baby
Such a dirty grind
Got a glimpse of tattoo baby
But I knew that you wouldn't mind
Cos I know its gotta be
And I, I gotta make u see

That I love you more than rock n roll
All my life
I think I love you more than rock n roll
Sing it one more time
I think I love u more than rock n roll

More than rock n roll
From the depths of my soul baby

Mmmm
Yeaheeyeah

So there you go baby
Is my intentions clear
And now that you know baby
There aint nothin to fear

Cos I never thort I'd say

What I've said today
I guess it goes to show you
That im sincere
Yeah

Cos I love you more than rock n roll
Can u feel it
I think I love you more than rock n roll
Yeah mmm
I love you more than rock n roll
Yeah yeah yeah
I think I love you more than rock n roll

Uhh
Mmmm
Come on now
Mmmm
Trust me

I love you more than rock n roll
Think I love you more than rock n roll

I love you more than rock n roll
Think I love you more than rock n roll

I love you more than rock n roll
Think I love you more than rock n roll

I love you more than rock n roll
Think I love you more than rock n roll

I love you more than rock n roll
Think I love you more than rock n roll

I love you more than rock n roll
Think I love you more than rock n roll
