I like a woman who loves to drive

Loves to do it fast, yeah, above 95

Oh, yeah, oh, yeah, oh yeah

I love a woman who likes to make me sweat

Who'll come on round lookin' for love, get what she can  
get

Show me babe what's on your mind

I wanna feel ya one more time

All night, I like it, all night

I want love, oh, yeah

I wanna make love, baby, oh, yeah

I wanna make love, child

All night, I wanna do it

All night, oh give me love baby

All night, I wanna have ya

All night, I want to taste you

Oh, yeah, oh, yeah, oh yeah

C'mon baby it's showtime

Give it to me, give it to me

I like a woman who wants to be the star

She'll make a man go further than he's ever been  
before

(Give it to me)

Show me babe what's on your mind

I wanna feel you one more time

All night, I like it, all night

I want it (give it to me)

Oh, ah, make a little love, baby

Oh, ah, make a little love, child

All night, I wanna do it

All night, oh give me love baby

All night, I wanna have ya

All night, I want to taste you there

You shouldn't wanna do what you wouldn't want me to

You didn't say you wouldn't and you shouldn't but you do

Let's get personal, give it to me

Oh baby, it's showtime, give it to me

Give me baby, give it to me

Oh I like that, give it to me

Give it to me baby

Don't think, don't think

Don't think, just do it, do it, do it

Oh, ah, make a little love, baby

Oh, ah, make a little love, child

All night, I wanna do it

All night, oh give a little love baby

All night, I wanna have you

All night

Give it to me, give it to me, give it to me

I wanna do it

All night, oh give me love baby

All night, I wanna have ya

All night, I want to taste you
