Shotgun

Let's welcome home the soldier boy from (Far away, far away)

No angel of mercy just a need to destroy (Fire away, fire away)

Let's toast the hero with blood in his eyes

The scars on his mind took so many lives

Die Hard the Hunter

Welcome home soldier boy

Put down your pistol, yeah, put down your toy

Yeah, they can take your gun away from you

But never take away your attitude

They can't do that, no, they can't do that

You got no enemy, no front line

The only battles in the back of your mind

You don't know how to change from bad to good

You brought the war to your neighbourhood

Back in the city, he's a man on the loose

He is the shadow that's following you

He takes no prisoners when he's hunting for game

He's got a bullet and it carries your name

(Die hard) Caught in a trap

(Hunter) There's no lookin' back

(Die hard) He hides in the crowd

(Hunter) Die Hard and Proud
