Run for cover
Don't shoot, shoot
She's so dangerous
Shotgun, gun, don't shoot shotgun

Maybe I'm wrong, maybe I'm right
Fallin' head over heels at the speed of light
Hey little miss heaven on earth
Won't you walk this way
But I see a red alert
Oh, my senses say keep away
So don't shoot, don't shoot shotgun

Dream on nightmare, touch 'n' go
Dove turned destroyer, she cut you up, she's a slave of
love

Run for cover, she's so dangerous
Undercover, she's so shameless

So don't shoot shotgun, you got me bitin' my lip
Don't shoot shotgun, you're shootin' straight from the
hip
So don't shoot shotgun
Shoot me baby

Hit 'n' miss, flesh and blood
She's sweet and indiscreet, she can't get enough
A little midnight madness, oh baby, you can't hide
So wild 'n' unpredictable, step aside
Cause you're, you're shooting wide

Run for cover, she's so dangerous
Undercover, she's so shameless
Don't shoot shotgun, you got me bitin' my lip
So don't shoot shotgun, ya shootin' straight from the
hip
Shake it, shake it!
Take this, little hit 'n' miss

So don't shoot shotgun, you got me bitin' my lip

Don't shoot shotgun, ya shootin' straight from the hip
Don't shoot it
Don't shoot shotgun, shake it, shake it
Take this little hit 'n' miss
Don't shoot shotgun
Oh shoot it, don't shoot it
Oh shotgun
Shoot me, baby
Let it blow
