I wanna be your hero

I'll be a trick of the light

I wanna be your hero

I'll be your heat in the nite

Hold tight

'Cos I like what I see

Ya excite

You put your finger on me

You're not too shy

You put a sting in my tail

A magic ride

And I'm-a hot on your trail

You know

Ya got something I want

Ya got something I need

Yeah!

I got something to say

I'm on my way

Hot licks on the tip of my tongue

Electric you turn your headlight on

Ya know

Ya got something I want

Ya got something I need

Yeah!

I got something to say

I'm on my way

Ooh yeah

Get up and go

I wanna be your hero

(I wanna be your hero)

I'll be a trick of the light

I wanna be your hero

(I wanna be your hero)

In the heat of the nite

A-hold tight

I like what I see

Oh

Just one night

That's all I'm asking from you too

Ya got something I want

Ya got something I need

I got something to say

I'm on my way

Ooh yeah

Get up and go

I wanna be your hero

(I wanna be your hero)

I'll be a trick of the light

I wanna be your hero

(I wanna be your hero)

I wanna be your hero

I wanna be your hero

I wanna be your hero

I wanna be your hero
