Well I'm down in the alley of Sally and I'm feeling my way

And it's four in the morning, I don't have a lot I can say

I know I'm looking for some satisfaction

But there ain't much news

Got some walking from a back reaction

I'm hanging down and loose

Me and the boys have been drinking

Feeling like this is the wrong time for thinking

All I can say is I'm doing fine with just me and my wine

Now my brain and my body are runnin' on different rails

And I died and just say hi what if all else fails

Oh I woke up in a subway station

Lying half dead on the floor

I don't remember anything

What happened the night before

Oh me and the boys have been drinking

Feeling like this is the wrong time for thinking

All I can say is I'm doing fine with just me and my wine

Now listen

My hair's a real mess, I feel and look like a joke

And there's a hole in my jeans, I just ran right out of
smokes

You know I'd like to get to know you

But I ain't got the time

I'm finding it harder and harder

To make this damn thing rhyme

Just me and my wine

Well just me and my wine

You know that I'm doing fine

Well just me and my wine

Thank you
