Mirror mirror

Just watchin' with your eye of glass

You're just a fortune wheel

With something that I wanna ask

Mirror mirror

Got my fate lyin' in your hands

You're the fool, you're the juggler

Hangman and lover, you're not like no other

Take a look into my eyes

Tell me what you see

Take a look into my eyes

Tell me is it true?

Take a look into my eyes

Oh when I look at you

Take a look into my eyes

Tell me is it me?

Is it really me?

Mirror mirror

Gotta know just what you see

My crystal ball

You're lookin' so sly and so sleazy

Mirror mirror

Hangin' there with that crack in your eye

You make me stumble, make me blind

Time after time and line by line

[Repeat Chorus]

Mirror mirror

Oh tell me

You're the fool, you're the juggler

I ain't met a lover, you're like no other

Take a look into my eyes

Tell me what you see

Take a look into my eyes

Tell me is it true?

Take a look into my eyes

Oh it just can't last

Take a look into my eyes

Gonna have to smash the glass

Take a look into my eyes

Take a look into my eyes

Take a look

Take a look into my eyes

Oh yeah

Take a look into my eyes

Take a look into my eyes

Take a look into my eyes

Take a look into my eyes

Take a look

Take a look into my eyes

Look into my eyes

Take a look into my eyes

Tell me if it's me

Baby, baby, baby, baby

Baby, baby, baby, baby
